GENERAL COMMENTS Philippine Commission on Women March 29, 2021

You can come up with direct activities like providing orientation on your security personnel on providing gender sensitivity to ensure that the services they provide to you and your clients especially to students as well will be gender-responsive, likewise SOGIE orientation so they may be able to know the proper and appropriate way dealing with students with diverse SOGIE.

As to the 1st assessment, kindly ensure that when you answer and justify your score, you just do not just cite see attendance and participation of men and women. You must be able to explain it as what the question is asking especially if it requires if gender issues are addressed or explicitly discussed, if not it should be zero, if it is implied then the score should be partial. Please substantiate it your score, do not leave blank most specially if your chosen score is full if you are not able to justify it then it should be zero.

Please also note the supplemental guidelines on the review of GAD AR 2020 for your reference and guidance:
