

## Supplemental Bid Bulletin No. 01

Project: **Procurement of Supply, Delivery and Installation of Various Industrial Technology Laboratory Equipment and Facilities**

This Supplemental Bid Bulletin is issued to all prospective bidders to clarify, modify and/or amend items in the Bidding Documents as discussed and agreed during the Pre-bid Conference held on March 18, 2021 at 10:00 o'clock in the morning.

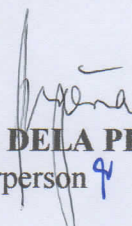

### **A. Additional Technical Specifications for the Airconditioning/Heat Pump Troubleshooting Learning System:**

1. The Airconditioning/Heat Pump Troubleshooting Learning System shall be designed to be fully compatible and integrated with the existing Environmental Applications Learning System of Agusan del Sur State College of Agriculture and Technology.
2. The learning activity packets under the Environmental Learning System can be performed when used with the Airconditioning/Heat Pump Troubleshooting Learning System.

### **B. Terms and Conditions:**

1. Warranty should be One (1) Year on its Parts and Labor.
2. Equipment must be supplied with training manuals in English.
3. Bidder must submit brochure/catalogue indicating the brand and model of the item/s as additional technical requirements. Failure to submit will be grounds for disqualification.
4. Bidder must have a training center for the pre-training to be conducted at the bidder's training center and also for equipment testing and checking by the end-user prior to delivery at Agusan del Sur State College of Agriculture and Technology.
5. Bidder must conduct after sales training after completion of delivery and installation at Agusan del Sur State College of Agriculture and Technology. If travelling is prohibited due to pandemic, online After Sales Training may be allowed provided that onsite After Sales Training be also provided once travel ban is allowed or lifted.
6. Bidder must be an authorized distributor/reseller of the items offered and authorized by the manufacturer to provide technical support. Bidder must attach documents to support such claim.
7. Bidder must submit certification from the manufacturer that the Technical Trainer is duly authorized to provide technical support and training.

Approved:
